Dear Ms. Santos:

This letter is in final response to your Freedom of Information Act (FOIA) request received at Naval Surface Warfare Center, (NSWC) Crane Division on December 5, 2017. Your request indicated that you are seeking, "Relevant to N0017810D6332 we seek a "clearly releasable" copy of the original RFP, Contract and Winning Proposal." Per an email dated September 6, 2016, the scope was narrowed to "Task Order EH-02: Issued by NAVSEA." Your request was assigned local Case File Number 2018-F-04.

Per your FOIA Request dated August 7, 2016, you indicated that you would accept clearly releasable information. On April 12, 2018 you were sent a partial response to your request enclosing contractual documentation.

As it was received, the FOIA request stated that you agreed to pay FOIA processing fees of up to \$55.00. You were assigned into the "Commercial" fee category. As per the FOIA Improvement Act of 2016, due to the response time to your request exceeding the statutorily regulated time you will only be charged for review; an invoice is attached.

A thorough search was conducted and forty-seven (47) documents were located here at NSWC Crane. Nineteen (19) of those documents were either provided to you or withheld in their entirety, and the remaining twenty-eight (28) were redacted consistent with two applicable FOIA Exemptions.

FOIA exemptions at 5 U.S.C. § 552(b) are Exemption 4 and Exemption 6. Exemption (b)(4) protects commercial or financial information received from a private source when disclosure is likely to cause substantial competitive harm to the source. Exemption (b)(6) exempts personal information from release which, if released would result in a clearly unwarranted invasion of personal privacy. Each redaction has been annotated to show the applicable FOIA exemption.

If you have any questions concerning this letter, you may contact Sara Gibson at (812) 854-5297 or by email at sara.gibson@navy.mil.

Sincerely,

A handwritten signature in dark ink, appearing to read "Sara A. Gibson". The signature is fluid and cursive, with the first name "Sara" being more prominent.
